

Chapter Couple of The Year Medallions
"Order yours today"

Once you make the wise decision to select your Chapter Couple, don't forget to let them know how proud you are of them by presenting them with their own personalized Chapter Couple Medallions and name tags.

Your couple will wear them proudly and everywhere they go, the people they meet will know who they are and just how much they are appreciated by their fellow chapter members.

Simply contact Nancy or myself, let us know your couples name and chapter and we will get them made up and delivered to your door within a few weeks. They will be just in time for you to present them at your next gathering.

Remember, it is never too late to select your Chapter Couple, introduce yours today!
